INDUSTRY LEADER

Schaefer Yachts is an industry leader in the design and construction of performance yachts between 30 and 83 feet. Boasting one of the biggest and most technologically advanced shipyards in South America, Schaefer Yachts has been transforming the marine industry for over 27 years. More than three thousand boats have been delivered worldwide. The shipyard has earned an exceptional reputation for setting high quality manufacturing standards with our proprietary and highly advanced production process.

The shipyard's cutting-edge technology and eagle eye for details guarantee a vast range of vessels made with extreme precision. Schaefer Yachts is proud to be a shipyard that attends to the most demanding markets in the world.

SCHAEFER 660

The Schaefer 660 impresses with its innovation, design and sophistication.

The two new fold-out side balconies provide a 25% increase in cockpit entertainment space. Four staterooms along with three full heads and a private entrance to the master suite ensure great comfort for the owner and all guests. The expansive single-level main deck and countless other novelties make the new Schaefer 660 intriguing to even the most savvy boaters.

FLYBRIDGE DECK

ON BOARD

MORE DESIGN FOR YOUR DAYS ON BOARD

Designed entirely by Schaefer's engineering team, the platform submerges 2 feet below the waterline and can lift up to 800kg, perfect for a Jetski or a tender. A boarding ladder is elegantly integrated into the platform and emerges to assist you to safely get back onto the boat. Details that provide comfort and elegance for your days on the water.

MORE SPACE, MORE COMFORT

The two new fold-out side balconies provide a 25% increase in cockpit entertainment space. Four staterooms along with three full heads and a private entrance to the master suite ensure great comfort for the owner and all guests.

HANDMADE ELEGANCE

Refinement in workmanship and extreme attention to detail are features of all Schaefer Yachts. Tastefully selected materials blend with advanced craftsmanship, resulting in elegance and sophistication for a luxurious and cozy environment.

SOPHISTICATION AND TECHNOLOGY

Equipped with the latest electronics, navigating a Schaefer Yacht is like piloting a plane. With multi-touch panels, joystick driving and sophisticated sensors, you have full control over the boat at your fingertips. Get on a Schaefer Yacht and discover the concept of modern and easy boating.
